

Do you  
like that  
painting?

Disclaimer: The watermarks in the corners are NOT ours. We couldn't find any other real source besides theirs. You can ignore them.

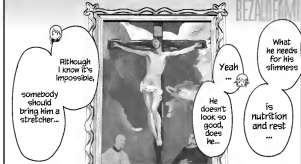

When I look  
at it, I can't  
settle down...

I guess  
I like it.

Yeah  
—

It's a  
painting of  
Jesus and  
the Cross...

Do you want to spend it together?

Say...  
Fujino-miya-san,  
during our free period this time...

You're mistaken!  
I'm fine!

Kojurou-san, you also look...

That sounds splendid!

or  
macarons  
or  
crêpes?

Alright!  
I said it!

Don't you want to try eating like tasty foods?

But,  
that would only be if it's okay with Masamune-sama.

The route I've planned out is-

Really...?  
That's great!

Sure!

Is it  
because  
Aki-sama's  
here with  
us too...?

That  
guy...

Eh?

I thought he  
wouldn't be  
eating overly  
sweet things,  
but...

Just as  
I mention  
her, hm?

Oh my~

You've  
got the  
wrong  
idea!

No!

N~

So  
are you

*implying  
that your  
promise  
to me isn't  
important?*

You're  
terrible  
...

WHAT  
THE HELL  
ARE YOU  
COMPAR-  
ING/?

Not  
at all!

*big  
problem  
even  
when  
it's  
not*

Is that a kind of samurai?

We're in the middle of a trip for a school event.

No...

"Tra... vell... ers..."?

I can use that!!

Turns out, I must apologize, Muriel-san.

We're just humble travellers!

Oh yeah!

go on trips in uniform!

Japan's high school students

Yeah, that's it.

I know what you mean!

I've read about it in manga!

Anyway, since we're traveling with our class, we don't have that much free time, so...

No...  
That doesn't happen...

And then, you'd fight some hijackers and get stranded on a mountain...

Venir.  
( COME. )

Is that  
a real  
gun!?

"Please  
call the  
police!" in  
French!!?

But,  
how do  
I say

Bonjour!  
( Hello! )

Je voudrais  
échange de  
l'argent s'il  
vous plait.  
( I would like  
to exchange  
money please. )

Those  
were the  
fundamental  
conversations  
I thought I  
should know for  
those kinds of  
situations

these people  
who don't  
speak much  
Japanese  
will become  
suspicious...

Just  
stop. If  
we fight  
here,

What're  
you so  
relaxed  
about!?  
Are you  
stupid!?

What  
a relief.  
We're  
on the  
same  
boat.

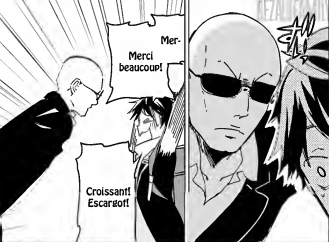

"Is there  
someone  
here who  
can speak  
Japanese?"

I'm at  
the level  
where I  
can say  
"Check  
please." and

is French  
one of your  
specialties  
...?

Adagaid-  
san,

"Merci beaucoup" means "Thank you very much" in French

That blond  
hair and  
blue eyes...

Where  
have I  
seen them  
before...

Yo.

Huh?

This will all  
make sense  
to you soon.

3-D  
Chikuwa-  
kun!

This is the  
first time  
we've met.

He's  
speaking in  
Japanese!?

My name is  
Frank Besson.

The older  
brother of  
Muriel, who  
you dumped  
just now.

In the new French text "Yakults" Google doesn't have a single entry regarding that term but frequently considers it a misspelling of "Yakult" in the following article: "Yakults Lady" doesn't exist either but "Yakult Lady" does, so I've assumed this to be the author's mistake as the author decided to reserve the company for trademark reasons (like Sony in Germany)

\*Non\* means \*no\* in French.

if you  
wish to  
stay with  
Aki,

then you and  
your girlfriend  
simply need to  
show Mariel the  
true meaning of  
a love comedy.

RIGHT,  
CHIKUWA-

IT'S  
AN EASY  
STORY,
